Message from Syed K Hamid Hussain, Executive Director MIA
As-salam-alai-kum and Ramadan Mubarak to all our beloved donors. It gives me great pleasure to inform you that Mr. Mohammed Ansar Ahmed has been elected as the new President of the academy. He is already doing great changes and additions to the academy by refining existing processes. I look forward to many positive initiatives under his leadership. Insha Allah, I will continue to serve as the Executive Director of MIA. I wish him well in this role and trust that you the donors and supporters to continue your charity donations and valuable support to the Academy.

On behalf of the Madinatul Ilm Academy, Mr. Mohammed Ansar Ahmed is grateful to all our donors and well-wishers that entrust our academy with the education of the students at Bright Future schools. His first visit to BFS schools, in Feb 2016, as Chairman and President of the Academy was very fruitful. He spent time getting to know the staff, parents and students and to learn their concerns first hand. It was great to see the passion and dedication of all volunteers and the Academy members. Alhumdulillah, both schools are functioning well under the management of the committee which includes well known engineers, doctors, professors and scholars.

HADITH OF THE PROPHET (S.A.W.S)

The Prophet Muhammad (peace be upon him) said: "Every Muslim has to give in charity." The people then asked: "(But what) if someone has nothing to give, what should he do?" The Prophet replied: "He should work with his hands and benefit himself and also give in charity (from what he earns)." The people further asked: "If he cannot find even that?" He replied: "He should help the needy who appeal for help." Then the people asked: "If he cannot do (even) that?" The Prophet said finally: "Then he should perform good deeds and keep away from evil deeds, and that will be regarded as charitable deeds."
